

UNION INN

DENBURY GREEN

Rob, Danni & all of the team welcome you to The Union Inn, and we do hope you enjoy your visit.

The Union Inn is the only pub in the peaceful village of Denbury, overlooking the Village Green and beautiful Devon Landscape.

The pub Originates from the 14th Century as the village blacksmiths, with it later (17th Century) being turned into the lovely pub we know it as now.

We have several events through the month - be sure to check in-house advertising and social media to stay up to date. Our function room is available for private parties and can cater for groups up to 100 people, with the option of a private bar too!

Our aim is to offer our guests fresh, local and seasonal produce where possible. Our daily menu is simple, offering you traditional 'pub grub' style food, along with a specials board to offer you that little something different.
